

Kids' Chance of Michigan

Educating Children of Injured Workers

KIDS' CHANCE OF MICHIGAN is a nonprofit organization whose mission is to provide need-based scholarships to the children of Michigan workers who have been fatally or seriously injured on the job. Kids' Chance was founded in 1988 in the state of Georgia and has expanded to all 50 states.

We are excited to fulfill the dreams of our Michigan children and help them reach their potential by providing them with educational scholarships. Kids' Chance of Michigan believes that through our work, we can make a significant difference in the lives of the children of Michigan.

WHAT WE DO

Kids' Chance is a 501(C)(3) organization that was created for the purpose of creating, assisting and supporting Kids' Chance organizations throughout the United States and similar programs that provide educational opportunities and scholarships for the children of workers seriously injured or killed on the job. We believe that by investing in our Michigan children's future, we can provide

them with the tools and opportunity to be successful in the workplace, so that they can make a difference in their own, and other people's lives.

KIDS' SCHOLARSHIP QUALIFICATIONS

At Kids' Chance of Michigan, we're dedicated to helping Michigan kids who need it most — those who need assistance for college or vocational education because a parent has been killed or catastrophically injured in a work-related accident. Our mission is to raise funds to provide need-based scholarships to qualifying kids ages 17–22 to pursue their educational dreams at college, community college, trade or vocational school in Michigan.

“All of us do not have equal talent, but all of us should have an equal opportunity to develop our talent.”

President John F. Kennedy
